

## **The Royal Army Medical Service**

Corps Newsletter Edition 6: Jan 26

---

### **Col Winder, Corps Colonel RAMS / Chief Nursing Officer (Army)**

On behalf of the RAMS Regt'l HQ, welcome to 2026 and our 6th SWAY update.

2026 has commenced at pace and I sense already it will be packed with progression and opportunity as we continue our journey to Full Operating Capability in Mar 27.

This SWAY provides key dates and opportunities for us to come together through year to mark our progression, by means of a number of establishing mechanisms.

But before we dive into building our near term future, it is worth investing a little time in celebrating the activity our Corps and it's truly amazing people have undertaken over the last Quarter - the building of our early past; and whilst not exhaustive, the gallery provides representation of key RAMS Regimental activity.

Finally, I would like to take this opportunity to wish you every success through 2026 in all that is important to you.

### **Behaviours and Values of the RAMS**

#### **Inclusion:**

The RAMS is a diverse organisation, and all personnel are encouraged to commit to developing a workplace environment where people's differences are celebrated.

We must ensure that our people feel valued, respected and accepted.

#### **Behaviours:**

We must ensure that courtesy and politeness are the minimum standard expected, treat each other with kindness and with dignity. All personnel must feel safe to challenge others and express themselves.

Personnel should be valued by their strengths, be listened to and their experience sought after and acknowledged.

## **Update on Service Day's Pay Giving (SDPG)**

All RAMS Service Personnel (SP) both Regular and Reserve have been contacted on Army Mail, with the update on Service Days Pay Giving (SDPG).

**Please note that if you are already currently subscribing to the RAMC, RADC or QARANC SDPG Scheme then there is no need to use the QR code, the transfer will occur automatically.**

From the February 2026 Pay Run, those SP who were previously subscribing to their antecedent Corps will now have their SDPG paid into the RAMS Charity.

RAMS Reserve SP have been contacted to ask them if they wish to join the scheme, as they were not previously offered subscription.

All the detail on SDPG and what this means to you as a RAMS Officer or Soldier, can be found on Defence Connect.

For those SP on an FTRS Contract, more information and detail will follow shortly, please keep a watch on your Army Mail account.

### **The RAMS Charity**

The RAMS Charity was formally registered with the Charity Commission on the 28 Nov 25.

The Board of Trustees are now working hard to develop the policies, procedures, practices and governance to ensure the new Charity is fit for purpose for all RAMS Service Personnel.

Interim Operational Capability for the Charity is expected to be 1 April 2026 with Full Operational Capability to be achieved no later than 31 March 2027.

The Board of trustees and RHQ RAMS are working alongside the RAMC Charity and the QARANC Association to ensure that our links with our antecedent Corps continue and that support to our personnel both Serving and Retired is maintained.

**Please remember that the main source of income for the RAMS Charity is Service Day's Pay Giving, therefore your support in contributing to the scheme is vital.**

### **The RAMS Association**

What is a Regimental or Corps Association and what does it do?

Most, if not all, Regiments and Corps of the British Army have an Association attached to them, for some this is part of their Charity, but for the RAMS it will be a separate organisation.

The purpose of an Association is to promote the Corps by fostering friendship, comradeship and a feeling of belonging. It is there to maintain an awareness of Corps traditions and act as a link between serving and retired members of the Corps. Branches are established in towns, districts, or units of the Corps and are administered by elected Branch officials. Each branch is responsible

for organising social events, maintaining links in their own areas, participating in Remembrance activities, providing social support and a sense of community for both Serving personnel and Veterans.

Serving personnel are automatically members of their Association if they pay into the Service Pay Giving Scheme, but can also become a member via a subscription, the latter especially applies to Veterans. You can be a member of more than one Military Association.

The amalgamation of the three Antecedent Corps (the RAMC, RADC & QARANC) has presented the RAMS with the opportunity to form an Association which reflects its Serving personnel and that of its Veterans who have retired since 15 Nov 24.

### **A message from the co-Chairs of the RAMS Association, Maj Gen Carter and Maj Gen Finn:**

*A key element of the transition to our new Regimental organisation is establishing a Royal Army Medical Service Association. Building on the success of our antecedent Associations, we want this new Association to be a modern, dynamic and responsive organisation that meets the needs of its members. As an indication of importance and intent of this work, we are combining our energy and working together on your behalf to ensure that this is a success. To assist us in delivering an Association that is right for you, please take a few minutes to complete the form below. Thank you for your support.*

## Apprenticeship Awards

Following on from the success of last year's inaugural DMS Apprenticeship Awards conducted Apr 25. It is intended that we showcase the range of Services and trades engaged with Apprenticeships within the DMS. The central focus will be the Level 3 Senior Healthcare Support Worker. This event will celebrate outstanding apprentices, apprentice champions, and others who support apprentices. The Awards seek to acknowledge and celebrate the exceptional contribution made by an apprentice to the workplace, and those who have provided support to apprentices above and beyond that expected of their job role. An Internal Board to consider all nominees will take place early February. Award winners and runners up will be notified by the end of Feb 26 and announced at the Apprenticeship Awards event 17 Mar 26.

**Closing date for nominations is Friday 30th Jan.**
